1. I am coming in glory and power the world knows nothing of, has not seen, cannot imagine in their finite thinking/resources. I love/know. I am the unseen and the seen, though not all of me is seen, nor unseen. I love you. I am the power behind the mountain and the sea. I am the almighty king of kings and kings mighty now I bring to the forefront, to the fore of not yesterday but today, now, cataclysmically; and bang! pow! What was that? I know not, some say, but I think we should.

2. Behold the lamb in glory telling/stating the lamb is the sheep. That know my voice, that know my voice, or all who reject me categorically not? I love you. Into my definitions/state see and come into and see what wherefore I had/have for you all along; that which is pointed to, destined to become you, not; for all/you still choose. Choice not taken away/from you; yet being choice, what wherefore creating are you with it? I love you.

3. This is the way walk ye into it, says who? You? And who is you/in you? And what wherefore manner of this is this sort of thing and things we've never experienced or heard about nor understood were prophesied about so clearly in the scriptures? I love you.

4. See what I have said, prophesied, foresaid. I love you all.

5. This is the moment time day hour and who can see my glory?
6. Who will be, not; who is willing to be my glory/raiment, my me/life?
7. Who is willing and obedient not to man's commands/interpretations and religionaires but my irreligionists that surrendered have to death itself, not; but death in through me, defeating death, robbing the grave not; putting death to death; and come through, now speaking my word'eth'ship and teaching, releasing, others in it/me also. I love you.

8. Who can see my religionlessness? Who can see rules put down and existentless; commands none, all operating by/via surrender? Surrender to surrender that surrendered is to one surrenderer who all surrendered is. I love you all.

9. And who is father/me? And who are you and **where oh man is thy throne** once thought so powerful, in light of mine? **And why did you/were you establishing yours when mine was there in you, rightfully placed and given you, perfected?** I love you. Establish/establishing my kingship or yours and who oh where is that/the one that can tell me all things? Inside me?!! How can these, this thing be? Knowing not covenant it is inside me? Birthing forth it must? Will I eat it or birth it, or eat it to birth it? **What is it**

I'm birthing? I Am, the knowledge of I Am, completely surrendered to/in I Am. I am father. I am son. I am one. I love you all.

10. This is the moment time hour day and second to none my son comes forth to reveal my son in me, revealing my father in him, that they/we are one and the same, not; yea exactly. My spirit revealing all things in due time, not; yea, surrendered to surrendered. Heart to heart. Blood to blood. There is only/but one heart, one blood, one father. We one family are.

11. See, ingest, and vomit not out but let transformation take its perfect work, not; surrender to it/me. I am I Am. Are you separate? Lo who established your kingdom? Witness of yourself to your own power-thought?

12. Who can be me in surrender in power not thought but surrender to surrender? I love you all. All can who choose.

13. This is the day of great visitation, not; surrender. The day of my great power; always was, here. I am me I Am and I am greatering, gathering, my hens under my wing not to possess some minor kingdom but my all'ness in all now surrendered to by surrendered ones come forth all-kingdom'ing my all-surrendered surrendering ones. I love you.

14. This is the day/revelation that John spoke of and it is yours. Oh man, not; me; mine, everlasting unto everlasting, my me who I Am. I love you. Ingest and live, eternally alive, me being.

15. One we are; host many others, not being/seeing, but seeing will now, becoming me alone.

16. **We are one being, one family, one unitary unit; cohesive/adhesive and never parting again.** I love you.
